

REGULATION FOR ADMISSION TESTS OF THE UCAM Catholic University of Murcia FOR PEOPLE OVER THE AGE OF 40 AND 45 Course 2019/20

PREAMBLE

The Organic Law 2/2023, of March 22, of the University System establishes that the Government regulates the procedures and systems for university access.

Royal Decree 534/2024, of June 11, which regulates the requirements for access to official undergraduate university education, the basic characteristics of the entrance exam and the basic rules of admission procedures, develops these regulatory provisions, regulating, among others, access to university for persons over 40 and 45 years of age.

Articles 36 and 38.2 of the Royal Decree 1892/2008, of 14 November, respectively establish that the organisation of these admission tests is a responsibility of the universities that offer the studies requested by those who are interested in the framework established by the Education Administrations.
